

PROFESSIONAL COURSE POLICY

Westend Academy

Herein Referred to as the Academy

ATTENDANCE

Students must make every effort to attend classes daily as each day missed must be replaced either on a Saturday. If a student is enrolled in the part time program then make-up time must be scheduled with the manager and is usually done Monday through Friday, during the day. There will be a pro-rated charge for tuition for days that must be made up after the scheduled completion date. Attendance records are kept daily. Replacement time will be conducted on the normal timetable of the department concerned. It is mandatory that a student notify the Academy prior to 9:00 a. m. or 5:00p.m. (Whichever is applicable to your program) if they are going to be late or absent. It is the responsibility of the student who was absent to find out what they missed, and to obtain any theory handouts from their study partner.

Punctuality

Regular school hours are from 9:00 a.m. - 4:30 p.m. or 5:00 – 9:00p.m. Depending on your program. Your punctuality will be recorded daily with the use of the hand reader. It is fully the responsibility of the student to ensure they ‘sign in’ and ‘sign out’ each day using the Electronic biometric hand reader so that their attendance hours can be calculated. If a student knows they will be late for class, they are expected to call the Academy. Because it is disruptive, any student arriving over 15 minutes late for theory class will have to set up and start their practical session on their own, forfeiting their theory class. Failure to attend a minimum number of theory hours may require a student to attend that portion of their program over and they may not attempt the testing for that portion of their program. Repeated offenses of missing theory time may also be grounds for dismissal.

Exams

Should a student miss a test, then they will be rescheduled and must accept the 1st day offered by the instructor, in which to complete the test. Unless a doctor's note is provided the test will be with a 5% deduction. If the student misses the 2nd scheduled test then a mark of 0 will be provided for that test.

Should a student not obtain a 70% passing grade on a written or practical or final exam the student will have the opportunity to a second attempt within 15 days from the of the first failed final exam, at the discretion of the Academy Director. The date may be altered to be more than 15 days. Should a student fail on the second attempt there will be no further attempts to rewrite a third time. NO CREDENTIALS will be issued to the student except their marks/transcript. The Academy is under no obligation to give further attempts to students who have no obtained a 70% passing grade.
